Conference Service

Your family, Your meeting,

Your decisions

What is FGC ?

Everyone has problems from time to time and a Family Group Conference (FGC) is an opportunity for families to make their own choices about the future. At an FGC you will be able to get together with family to make the best possible plan. It is your meeting!

"Stay calm cos it's easy"

James age 10

Who's who and what do they do?

Your Convener will visit you to explain about the meeting and help arrange for people to come along including services that might be useful.

"If my convener wasn't there it would have been a disaster"

Lauren age 8

Children's Advocate -

It is important that your child or young person is involved and they may want an adult to help and this person is called an advocate.

What happens at your FGC ?

- Step 1 - Information Sharing
- Step 2 - Private family Time
- Step 3 - Agreeing the plan

You can choose to have a review of

your plan later on.

We can help with the cost of coming to a conference or if you need childcare during the meeting. Please ask if you need help.

"I got to choose Jaffa cakes for the meeting"

Harry age 11
